

## **Instructions for configuring Zone Alarm to work with ProQuest**

1. Open Zone Alarm.
2. Click on Privacy
3. Click on add
4. Type in umi.com
5. Click on the “X” under Cookie Control 3<sup>rd</sup> Party and choose allow
6. Repeat for Private Headers
7. Repeat steps 3 – 6 using proquest.com instead of umi.com
8. Log into ProQuest via your library’s site.
